A large, white, cylindrical object, resembling a train car or a large pipe, is positioned diagonally across a set of railroad tracks. The tracks are made of metal rails and wooden ties, set on a bed of gravel. The word "inspirationstation" is written in a blue, sans-serif font along the side of the cylinder. In the background, there is a parking lot with several cars, a building, and a red roller coaster under a blue sky with white clouds.
